

FORMER KAHN'S / SARA LEE

2013 - 3241 SPRING GROVE AVENUE - CAMP WASHINGTON

Previously, the site of a meat processing plant that ceased operations 2006 by the Sara Lee Corporation, this 17-acre site is now going to become a light industrial business office park. Creating new jobs while cleaning up the environment, this is part of the County's continuing efforts to leverage investment and increase economic development.
