
USEPA Brownfield Assessment Grant

Application for Financial Assistance

The Port of Greater Cincinnati Development Authority (Port Authority) is accepting applications for funding under its United States Environmental Protection Agency (USEPA) Brownfield Assessment Grant. Applications will continue being accepted through July, 2020 or until funds have been expended.

I. Introduction

The USEPA awarded the Port Authority a \$300,000 Hazardous Substance and Petroleum Assessment Grant to assess properties whose redevelopment is hindered by existing or potential environmental contamination. The Port Authority has engaged one (1) environmental consulting firm to develop ASTM or Voluntary Action Program (VAP) Phase I and Phase II Environmental Site Assessments and Remedial Action Plans.

Brownfield sites located within Hamilton County, including the City of Cincinnati, are eligible for consideration.

II. Application Process and Schedule

Applicants are required to schedule a pre-application conference call and/or meeting with the Port Authority to review project/site eligibility and application process.

Applicants may apply for more than one eligible activity within an application. Sites will be evaluated accordingly and activities considered as the budget allows. Awards for eligible activities will be made sequentially and in phases based upon the outcome and recommendation of the preceding report and due diligence.

Applicants must submit one (1) electronic (PDF). *Incomplete applications may not be considered.*

Applications will be accepted on a rolling basis through July, 2020 or until funds have been expended.

Completed applications, including cover letter and required exhibits and attachments to should be returned to:
