Each of the Chair and the Vice Chair, the Secretary and each Assistant Secretary of this Board, and the President/CEO of the Issuer (each, an “Authorized Official” and collectively, the “Authorized Officials”), is hereby authorized, and at least one such Authorized Official is hereby authorized, to determine and state, or to approve in the Bond Purchase Agreement such matters concerning the sale of the Bonds and the terms thereof as the executing Authorized Official determines to be necessary or appropriate and consistent with this Resolution, in order to more fully effectuate the intent of this Resolution, including but not limited to (a) the date or dates of the Bonds; (b) the number of series of the Bonds, whether a series of Bonds shall be taxable or tax-exempt, senior or subordinate and the principal amount of each series of Bonds; (c) the maturity dates, interest rates and any redemption provisions applicable to the Bonds; and (d) the purchase price or prices of the Bonds. Nothing herein or in the Bonds or in any other Operative Document gives the holders or owners of any Bonds, and they do not have, the right to have taxes levied by the Issuer, the General Assembly of the State of Ohio or taxing authority of any political subdivision of the State for the payment of Bond Service Charges. The Bonds shall contain a statement to that effect and to the effect that the Bonds are payable solely from the sources described in the Trust Indenture and from any other money paid by the Lessee or obtained by the Trustee upon the exercise of rights and remedies under the Trust Indenture or the Lease Agreement. Nothing in the Bonds or the instruments securing them, however, shall be deemed to prohibit the

Issuer from using, of its own volition, to the extent that it is authorized by law to do so, any other resources for the fulfillment of any of the terms or conditions of or its obligations under Trust Indenture or any Bonds.

The Bonds and any obligations of the Issuer under the Bond Legislation, the Operative Document and any other documents or agreements executed by the Issuer in connection with the issuance of the Bonds shall be payable solely from the Project Revenues, and shall be secured, subject to and except as otherwise provided by the terms of the Trust Indenture, equally and ratably by, (i) the Pledged Security (as defined in the Trust Indenture), (ii) and; (ii) all right, title and interest of the Issuer now owned or hereafter acquired in, to and under the Operative Documents and the Land Use Restriction Agreement, except Unassigned Rights (each as defined in the Trust Indenture). Nothing herein or in any Operative Document shall be deemed to prohibit the Issuer of its own volition, from using to the extent it is lawfully authorized to do so, any other resources or revenues for the fulfillment of any of the terms, conditions or obligations of the Bonds or any other Operative Document.

**Section 7. Operative Documents and all Other Documents to be Executed by the Issuer.** To provide for the issuance of, and to secure the timely payment of the Bond Service Charges on, the Bonds and the performance by the Issuer of its obligations under this Resolution, the Bonds and the Trust Indenture, each Authorized Official, or any combination thereof, is hereby authorized, for and in the name and on behalf of the Issuer, to sign and deliver any and all Operative Documents to which the Issuer is a party, in substantially the respective forms on file with the Secretary or an Assistant Secretary, with such modifications thereto as may be made in accordance with this Section 7 and (b) the Bond Purchase Agreement. The forms of the Operative Documents are approved with such modifications thereto as are not inconsistent with this Resolution and not substantially adverse to the Issuer and which are permitted by the Act and shall be approved by the Authorized Official or Authorized Officials executing those documents. The approval of any such changes, and that such changes are not substantially adverse to the Issuer, shall be conclusively evidenced by the execution of those documents by the Authorized Official or those Authorized Officials.

Each Authorized Official, or any combination thereof, is authorized to take any and all actions and to execute such further documents, including but not limited to agreements, financing statements, assignments, certificates and other instruments that may be necessary or appropriate in order to effect the issuance of the Bonds, the financing, refinancing and Development of the Project and the intent of this Resolution, including, but not limited to the taking of such actions as may be necessary to permit the Development of the Project to commence prior to the issuance of Bonds. The Secretary of this Board or other appropriate officer of the Issuer shall certify a true transcript of all proceedings had with respect to the issuance of the Bonds, together with such information from the records of the Issuer as is necessary to determine the regularity and validity of the issuance of the Bonds. All actions taken by any Authorized Official, employee, contractor or agent of the Issuer in furtherance of the purpose of this resolution is hereby ratified.

**Section 8. Covenants and Agreements of Authority.** In addition to the other covenants of the Issuer made in this Resolution and in the Tax Regulatory Agreement and the other Operative Documents relating to the tax status of the Tax-Exempt Bonds (as defined below) (the

Tax Regulatory Agreement together with the Land Use Restriction Agreement, the “Tax Agreement”) the Issuer further covenants and agrees as follows:

(a) Performance of Covenants, Authority and Actions. The Issuer will at all times faithfully observe and perform all agreements, covenants, undertakings, stipulations and provisions contained in the Operative Documents and in all proceedings of the Issuer pertaining to the Bonds. The Issuer warrants and covenants that it is, and upon delivery of the Bonds will be, duly authorized by the laws of the State, including particularly and without limitation the Act, to issue the Bonds and to execute the applicable Operative Documents and all other documents to be executed by it, to provide for the security for payment of the Bond Service Charges on the Bonds in the manner and to the extent herein and in the Trust Indenture set forth.

(b) Tax Matters. To the extent within its authority and control, the Issuer will restrict the use of the proceeds of Bonds issued as tax-exempt bonds (“Tax-Exempt Bonds”) in such manner and to such extent as may be necessary, upon the advice of Bond Counsel, so that none of the Tax-Exempt Bonds will constitute arbitrage bonds under Section 148 of the Code. Each Authorized Official and any other officer of the Issuer having responsibility for the issuance of Tax-Exempt Bonds, alone or in conjunction with the Lessee or any officer, employee or agent of or consultant to the Lessee, shall sign and deliver the Tax Agreement, for inclusion in the transcript of proceedings for the Tax-Exempt Bonds setting forth the reasonable expectations of the Issuer regarding the amount and use of all of the proceeds of the Tax-Exempt Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on the Tax-Exempt Bonds.

Upon the advice of Bond Counsel, the Issuer will (i) take, or require to be taken, to the extent within its authority and control, all actions that may be required of it for the interest on the Tax-Exempt Bonds (as defined in the previous paragraph) to be and remain excludable from the gross income of holders of the Tax-Exempt Bonds for federal income tax purposes, and (ii) not take or authorize to be taken any actions that would adversely affect that excludability under the provisions of the Code. Each Authorized Official and any other appropriate officer are hereby authorized and directed to take any and all actions and make or give such designations, reports and certifications, as may be appropriate to assure such exclusion of that interest.

In its performance of these covenants, and other covenants of the Issuer pertaining to federal income tax laws, the Issuer may rely upon the advice of Bond Counsel.

(c) Transcript of Proceedings. An Authorized Official shall furnish to the Underwriter a true transcript of proceedings, certified by the Secretary or Assistant Secretary of this Board, of all proceedings had with reference to the issuance of Bonds, together with such information from the records of the Issuer as is necessary to determine the regularity and validity of the issuance of the Bonds so purchased.

(d) Further Assurances. The Issuer shall do all things and take all actions on its part necessary to comply with the obligations, duties and responsibilities on its part under the Operative Documents. Nothing herein or in the Operative Documents shall be construed as requiring the Issuer to use any money from any source other than as described in the Trust

Indenture with respect to payment of Bond Service Charges on the Bonds or its obligations, duties and responsibilities under the Operative Documents.

(e) Volume Cap. Any Authorized Official is hereby authorized to take such actions as may be necessary to obtain a volume cap allocation from the State of Ohio; provided that the cost of any application or allocation shall be borne by the Lessee or paid from the proceeds of the Bonds.

**Section 9. Public Approval.** This Board hereby authorizes the Vice President of Public Finance of the Issuer or any Authorized Official to hold a public hearing on behalf of the Issuer as required by Section 147(f) of the Code, and further to take such steps as may be necessary or advisable to provide for advance public notice of such hearing as required by Section 147(f) of the Code. Any Authorized Official or other representative of the Issuer is authorized to take such actions as may be necessary to secure applicable elected representative approval for the issuance of the Bonds from the City of Cincinnati, Ohio or the County of Hamilton, Ohio, as required by Section 147(f) of the Code.

**Section 10. Acquisition and Development of the Project.** Based on information furnished to it, the Board has determined that any contract or contracts for the acquisition of the Project Site shall be made in accordance with this paragraph, and in order to serve the Project Purposes, it is in the best interest of the Issuer that such contract be negotiated by the Lessee and that any such contract or contracts, including any such contract as may result from the assignment or exercise of options available to the Lessee, shall be and hereby are accepted by the Issuer upon review and approval thereof by an Authorized Official.

Based on information furnished to it, this Board has determined that the Construction Contracts shall be made in accordance with this paragraph, and that it is in the best interest of the Issuer that the Construction Contracts for the construction of the Project Facilities be negotiated by the Construction Service Provider on behalf of the Issuer pursuant to the Construction Services Agreement and this Board hereby finds and determines that such negotiation best carries out the Project Purposes. This Board hereby approves the appointment of Vivera Northbrook, LLC as its agent under the Construction Services Agreement for purposes of Development of the Project Facilities and authorizes the Construction Service Provider to execute and deliver, in its own name, such contracts relating to the Development of the Project as may be necessary provide for the construction of the Project Facilities, all as permitted by the Act. Provided further, if requested by the Construction Service Provider and after review thereof by legal counsel, one or more Authorized Officials may execute the Construction Contracts or any agreements related thereto in the form approved by the Authorized Official signing thereof, provided that any obligation of the Issuer thereunder shall be payable solely from the proceeds derived from the sale of the Bonds or from the Lessee, and any such agreement or contract shall be subject to the certification of availability of funds by the fiscal officer of the Issuer.

It is further determined that prior to the issuance of the Bonds, the Construction Service Provider may, at its own risk, commence the Development of the Project on behalf of the Authority. Any Authorized Official is authorized to execute such documentation and agreements as may be reasonably necessary or desired by the Authorized Official to permit the Construction Service Provider to exclude from sales taxes any building and construction materials to be

purchased on behalf of the Issuer for the Project, it being understood that subsequent to the issuance of the Bonds that such purchase shall be made pursuant to the Construction Contracts and shall be incorporated in a structure or improvement to real property that will be accepted for ownership by the Issuer, provided that the Bonds are issued.

**Section 11. Tax Credit Determination.** It is hereby determined that the amount of tax credits to be allocated to the Project under Section 42 of the Code does not exceed the amount necessary for the financial feasibility of the Project and its viability as a qualified housing project throughout the credit period for the Project. In making the foregoing determination, the Authority has solely relied upon representations of the Lessee. The foregoing determinations shall not be construed to be a representation or warranty by the Authority as to the feasibility or viability of the Project. The Board hereby authorizes any Authorized Official to review and make the foregoing determination again for and on behalf of the Authority at the request of the Lessee, following receipt of supporting materials submitted by the Lessee to the Ohio Housing Finance Agency ("OHFA") and either written representations of the Lessee or of OHFA to the effect that (i) the amount of tax credits to be allocated to the Project under Section 42 of the Code does not exceed the amount necessary for the financial feasibility of the Project and its viability as a qualified housing project throughout the credit period for the Project and (ii) the Project satisfies the requirements for the allocation of a housing credit dollar amount under OHFA's qualified allocation plan. Such determinations shall occur on or about the date of the sale of the Bonds to the purchasers thereof and on or about the date that each building of the Project is placed in service. In reliance upon the representations of the Lessee, it is hereby found and determined that the Project satisfies the requirements for the allocation of a housing credit dollar amount under OHFA's qualified allocation plan.

**Section 12. Observance and Performance of Agreements and Obligations.** The Issuer will observe and perform all of its agreements and obligations provided for in the Operative Documents, other documents or agreements entered into in connection with the Bonds, and this Resolution; provided that nothing herein shall require the Issuer to spend its own funds to do so. All the obligations under this Resolution are hereby established as duties specifically enjoined by law and resulting from an office, trust or station upon the Issuer within the meaning of Section 2731.01, Ohio Revised Code.

**Section 13. Compliance with Open Meeting Requirements.** It is found and determined that all formal actions of this Board concerning and relating to the adoption of this Resolution were taken in an open meeting of this Board, and that all deliberations of this Board that resulted in those formal actions, were in meetings open to the public in compliance with the law.

**Section 14. Severability.** If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution. In case any obligation of the Issuer authorized or established by this Resolution is held to be in violation of law as applied to any person in any circumstance, such obligation shall be deemed to be the obligation of the Issuer to the fullest extent permitted by law.

**Section 15. Effective Date.** This Resolution shall take effect and be in force immediately upon its adoption.
